

## Colourful Semantics - going on holiday

You can use this pack with children when carrying out summer themed activities and going on holiday. You can talk about the weather, things to do and what they can see around them. It will support them when expressing their thoughts and feelings. You can also use this pack to talk about people and help children learn how to use pronouns.

You can prompt them by asking questions such as:

'how did you get there?'

'what did you eat?'

'what did it feel like?'

'where did you go out?'

'what was the weather like?'

'did you play with some toys?'

'did you see any animals?'
