

Colourful Semantics - castles theme

You can use this pack with children when carrying out castle themed activities. You can talk about what they looked like and what they were used for. This pack will support children when expressing their thoughts and feelings. You can also use this to talk about people and help children learn how to use pronouns.

You can prompt them by asking questions such as:

'who lives there?'

'what do they do there?'

'what does it look like?'

'where do they go?'

'what is the weather like?'
