

Colourful Semantics - Halloween

You can use this pack with children when carrying out halloween themed activities. You can talk about dressing up, party games and what the children can see around them. It will support them when expressing their thoughts and feelings. You can also use this pack to talk about people and help children learn how to use pronouns.

You can prompt them by asking questions such as:

`who did you see at Halloween?`

'what did you eat?'

'did you get any treats?'

'where did you go out?'

'what was the weather like?'

'did you decorate your house?'
