

Colourful Semantics - School Holidays

You can use this pack with children when talking about the time of year of Bonfire night and what you might see or what might happen if you go to a bonfire. This pack will support children when expressing their thoughts and feelings. You can also use this to talk about sequencing and describing objects and concepts.

You can prompt them by asking questions such as:

- Where did they go?
- What size is it?
- What happened next?
- What does it look like?
