

Privacy and Usage Policy

This informal assessment screening may only be used by those professionals fully trained in colourful semantics, or the result of this screen will be unreliable.

This screening assessment is for individual use only (single user purchase) or multi use if (multi user purchase).

The assessment screen cannot be copied, duplicated, changed or disseminated in any way. It is intended for clinic use or classroom use only.

You can keep your own backup copy.

We ask you to respect our terms of use, to enable us to continue to develop low cost resources to support your therapy assessment and programmes.
