

Colourful Cinema - Farm

You can use this pack with children when talking about the farm. You could use this before to talk about what you will do or after to discuss what you did and talk about your trip.

This pack will support children when expressing their thoughts and feelings. You can also use this to talk about describing objects, sequencing events and concepts.

You can prompt them by asking questions such as:

- Where did they go?
- What size is it?
- What happened next?
- What does it look like?
