

## Colourful Semantics - Santa's Workshop

You can use this pack with children to support them whilst drawing, painting or looking at a picture of Santa's workshop.

Alternatively, you can do a pretend play activity where you turn the house/ classroom into Santa's workshop and all the children are elves. After the children have finished playing they could write about their day at Santa's Workshop.

You can prompt them by asking questions such as:

- Where did they go?
- What size is it?
- What happened next?
- What does it look like?
