

Core Vocabulary 50 word list

Please make a list of words for therapy. The words should be ones that your child uses a lot but has trouble saying. Don't worry if you can't get 50, just write as many as you can. Some ideas are:

- Names of family members
- Names of friends
- Names of pets
- Favourite food and drinks
- Favourite things (t.v. shows, games, toys)
- Function words (please, thankyou)
- Places you go (pool, school, shop)

1	26
